— Overview

The M. Com Program was started in the year 2014 with the objective of introducing innovative and modern curriculum and imparting Holistic Education. The M. Com course is a two year - four semester program affiliated to Bangalore University. This course offers a blend of theoretical and practical exposure to the students through Seminars, Conferences, Guest Lectures, Workshops, Industrial Visits, Training and Development programs. The Department has qualified and experienced professors with high backend knowledge of Commerce, Accounts and Banking.

— HOD's Message

M. Com programme is envisioned to advance teaching and research skills amidst students to create academic proficiency, equivalent to current needs of the society. 'Accounting & Taxation' and 'Banking & Finance' are the electives offered in third and fourth semesters of the program. The programme develops a culture of research amongst students, by presenting research papers, collaborative research publications and Internship project.

Prof. Kavitha S

Head, Department of Commerce having 18 years of teaching experience and qualified with M. Com, MBA, M. Phil., UGC - NET, (Ph.D.) in Finance, authored books, published many papers in national and international conferences and journals.

— Career Prospects

Master of commerce focuses on commerce, management and economic related subjects. The curriculum is usually concentrated on one subject area such as accounting, economics, finance or marketing. With an M. Com degree, students can apply for the jobs in all industries in corporate finance or can apply in Banks, investment banks, equity research and advisors companies, mutual funds, stock broking firms, etc. It will help in pursuing a profession in finance to prospects such as CFA, ICWA, etc.

— Program Dates

The Admission process for various programs commences during January of every year and extends till the last date of admission as per the university regulations or availability of seats, whichever is earlier.

Note: Aspirants are instructed to personally confirm the admission dates and timelines from the admissions office.

Objectives of M. Com course at ABBS

- To provide high-quality education in the finance and economics arena.
- Enable students to face challenges in any work environment.
- To focus on the overall development of students in terms of concepts, analytical thinking, leadership qualities in the current industry.
