

ABBS Signs MoU with Daffodil International University, Bangladesh

[Acharya Bangalore B School \(ABBS\)](#) Bengaluru, has entered into a Memorandum of Understanding (MoU) with Daffodil International University (DIU), Bangladesh, to promote academic and cultural exchange and strengthen cooperation in teaching and research.

Signed on 7th September 2026, the agreement establishes a framework for collaboration between the two institutions and provides opportunities for students and faculty to engage in international academic activities and knowledge sharing.

A key focus of the partnership is student and faculty exchange. Students will have opportunities to undertake academic exchanges, while faculty members may participate in short- and long-term exchange programmes involving lectures, workshops, curriculum development, academic advising and research collaboration.

The MoU also encourages joint research in areas of mutual interest, including collaborative project proposals, exchange of expertise, joint publications, seminars and workshops. Both institutions will further explore Summer and Winter programmes, providing students with opportunities for capacity building and cross-cultural learning.

Another important area of cooperation is internship exchange, with both institutions facilitating internship opportunities for final-year students and young teaching assistants. The partnership also provides scope for scholarship opportunities for meritorious students from the partner institution.

ABBS and DIU will additionally encourage the sharing of academic resources, including access to library databases, journals and other online resources for students and faculty.

The collaboration with Daffodil International University reflects ABBS's continued efforts to expand its international academic network and create meaningful opportunities for student mobility, faculty engagement, collaborative research and cross-cultural learning. Through this partnership, both institutions look forward to developing sustained academic cooperation between India and Bangladesh.
