

## **ABBS Strengthens International Academic Engagement with Malaysia University of Science and Technology**

[Acharya Bangalore B School \(ABBS\)](#) Bengaluru, India has entered into a Memorandum of Understanding (MoU) with the Malaysia University of Science and Technology (MUST), Malaysia, marking another step in its commitment to strengthening international academic engagement.

Signed on 21st May 2026, the MoU establishes a framework for cooperation between the two institutions in areas of mutual academic and research interest. The partnership will create opportunities for students, faculty and researchers to engage in international learning, knowledge exchange and collaborative initiatives.

The collaboration will explore opportunities for franchise programmes, dual-degree and dual-award programmes, and progression pathways, providing students with greater access to international academic opportunities.

The MoU also includes faculty and student exchange programmes, enabling participants to experience different academic environments, teaching practices and cultural perspectives. In addition, ABBS and MUST will explore opportunities for collaborative research, publications, conferences and consultancy in areas including Science, Technology, Transport Logistics, Supply Chain and Business Management.

The partnership further provides scope for organising joint international conferences, seminars and webinars, bringing together students, faculty, researchers and industry professionals for knowledge sharing and academic dialogue.

The collaboration with MUST reflects ABBS's continued efforts to build meaningful global partnerships that enhance international exposure and academic opportunities. Through such initiatives, ABBS aims to foster global learning, collaborative research and cross-cultural engagement, contributing to a more internationally connected academic community.
