

Meeting with Principal Secretary, Labour & Skill Development - Kenya

[Acharya Bangalore B School \(ABBS\)](#), Bengaluru delegation led by Mr. Ajitesh Basani, Executive Director, held a high-level meeting with Kenya's Principal Secretary for Labour and Skill Development to explore opportunities for strengthening academic and skill-development collaboration.

The discussions focused on areas of mutual interest, including higher education, skill development, capacity building, knowledge exchange, and industry-oriented learning. The meeting provided a valuable platform to explore avenues for creating meaningful opportunities for students, professionals, and institutions in both the countries.

The interaction reflects ABBS's commitment to expanding its international academic network and contributing to global education and skill-development initiatives. Such engagements can further promote knowledge sharing, international exposure, and collaborative learning.

The meeting marks a significant step towards exploring long-term cooperation between India and Kenya in education and skill development, with opportunities for future academic and institutional engagement.
