

Zimbabwean Students Explore Bengaluru

[Acharya Bangalore B School \(ABBS\)](#), Bengaluru hosted a delegation of students from Zimbabwe as part of its international exchange and cultural immersion initiatives. The visit provided the students with an opportunity to experience Bengaluru's vibrant academic, cultural, and entrepreneurial environment.

As part of the programme, the students engaged in academic interactions and explored key aspects of Bengaluru's educational and cultural landscape. The visit also encouraged meaningful cross-cultural interaction and knowledge sharing between the visiting students and the ABBS community.

The initiative reflects ABBS's commitment to fostering international exposure and creating meaningful global learning experiences for students. Such programmes provide a platform for students from different countries to connect, exchange perspectives, and develop a deeper understanding of diverse cultures and academic environments.
